

## **Cleverbase Selects Verimatrix Code Shield for Strong Cybersecurity**

*E-signatures, login, encrypted information exchange and archiving within the Vidua app safeguarded against cyber-attacks by award-winning threat defense technologies*

**Aix-en-Provence, France and San Diego, USA, November 29, 2022** – [Verimatrix](#), (Euronext Paris: VMX), the leader in powering the modern connected world with people-centered security, today announced that Netherlands-based [Cleverbase](#) turned to Verimatrix [Code Shield](#) to protect its [Vidua](#) mobile app for Android and iOS.

Aiming to make all paper communication, pen signatures and physical identification no longer needed, Cleverbase’s Vidua app is designed to store information easily and securely for Netherlands-based businesses. Organizations throughout the country choose to partner with Vidua to enable their customers to interact fully digitally, saving time and effort while doing so with peace of mind that the app they’re using consistently protects their sensitive data.

“The very nature of our business at Cleverbase demands the foremost security technologies that protect against threats such as reverse engineering and tampering,” said [Sander Dijkhuis](#), Chief Technology Officer at Cleverbase. “Verimatrix’s Code Shield, following significant evaluation, became the clear answer to our code protection needs for the Vidua app. Our commitment to offering user-friendly, future-proof services for our customers pairs well with Verimatrix’s obvious dedication to security innovation and efficiency.”

"The most guarded organizations in the world are being infiltrated via mobile devices," said [Juha Högmander](#), vice president, cybersecurity business at Verimatrix. “We’ve seen hackers target consumers at the device-level, via unshielded apps, and they do it because they know today’s

smartphones are entry vectors to an abundance of enterprise data and customer information that can be exploited on the dark web. We are proud to have a Qualified Trust Service Provider like Cleverbase as a new customer."
