

Verimatrix and Scalstrm Streamline and Protect Live Streaming Deployments

PayTV operators and broadcasters gain added efficiencies and confidence with integration of Scalstrm and Verimatrix Streamkeeper Multi-DRM

Aix-en-Provence, France and San Diego, USA, September 14, 2023 – [Verimatrix](#), (Euronext Paris: VMX), the leader in powering the modern connected world with people-centered security, today announced it teamed up with [Scalstrm](#), a leading Stockholm-based provider of next generation media processing and streaming solutions, to seamlessly offer high-quality, consistently protected live video content.

Through the collaboration, joint customers benefit through the integration of Verimatrix [Streamkeeper Multi-DRM](#) with Scalstrm’s Origin and CDN platforms and services. With an eye on efficiency as well as scalability, both companies bring added value to operators and others by ensuring that Streamkeeper’s Content Protection Interface eXchange (CPIX) document signing and encryption effortlessly provide the latest possible protections alongside Scalstrm’s streaming solutions.

The highly-tested integrated solutions are set to be highlighted during [IBC 2023](#) taking place September 15-18 in Amsterdam. Visit Verimatrix booth 1.D81 and Scalstrm booth 5.H54.

“Great synergy flourishes between Verimatrix and Scalstrm, as both companies come together as innovators in maximizing optimization and protection for operators,” said [Sofia Regojo](#), Chief Revenue Officer at Verimatrix. “We are pleased to jointly spotlight this new integration at this year’s IBC.”

“Our collaboration with Verimatrix exemplifies the power of partnership and the shared vision for excellence we have,” said [Erik Svennemar](#), Sales Director at Scalstrm. “By seamlessly integrating Verimatrix Streamkeeper Multi-DRM with Scalstrm’s Origin and CDN platforms, we are not only enhancing the efficiency and scalability of our services, but also ensuring top-notch content protection. It’s a game-

changer for operators and a testament to our commitment to delivering cutting-edge streaming solutions.”
