

**SAN JOSE, Calif. — Sept. 13, 2018** — Harmonic (NASDAQ: HLIT) today announced a new partnership with Verimatrix, a specialist in securing and enhancing revenue for network-connected devices and services. Integration between Verimatrix's new [Viewthority™](#) connected content distribution platform and Harmonic's VOS®360 Video SaaS simplifies the delivery of live and VOD content, resulting in increased cost savings for video content and service providers.

"Around the world, content providers have a common goal: to maximize workflow efficiencies and reach more end-users," said Petr Peterka, chief technology officer at Verimatrix. "Harmonic's VOS360 solution is a world-class SaaS offering for media processing and delivery. This collaboration with Harmonic strengthens our ability to provide content owners and operators with a simple, reliable and cloud-driven method of securely distributing high-quality video, ultimately enabling them to be more competitive and support new business models."

Viewthority is an innovative platform-as-a-service that offers enhanced and secure connectivity between content providers, video service operators and subscriber devices, streamlining end-to-end workflows and automating video analytics reporting. The integration with Harmonic's VOS360 Video SaaS optimizes media processing and delivery. Covering the entire media processing chain, from ingest to distribution, VOS360 Video SaaS brings increased scalability, efficiency and flexibility to next-gen video workflows.

"The VOS360 solution is a best-in-its-class SaaS that is globally deployed by operators, trusted by numerous technology partners, and continuously updated with innovative features that drive operational efficiencies and monetization," said Tim Warren, senior vice president and chief technology officer, video business at Harmonic. "Harmonic's VOS360 Video SaaS is at the heart of a growing number of innovative new media processing and delivery platforms. This growing market adoption exemplifies the VOS360 offering's innate ability to adapt to any content workflow, as will be highlighted at the Harmonic stand during IBC2018."

Harmonic is showcasing its VOS360 Video SaaS at IBC2018, Sept. 14-18 in Amsterdam at stand 1.B20. Further information about Harmonic and the company's solutions is available at [www.harmonicinc.com](http://www.harmonicinc.com).
