

# Verimatrix Logo Use Policy

Verimatrix logos shall be used only with written permission (email or print) from Verimatrix. Verimatrix, at its sole discretion, may withhold approval, and reserves the right to terminate or modify at any time permission to display the Verimatrix logos.

Verimatrix logos may be used only for the purpose requested; additional uses require separate permissions.

## **The Verimatrix logos may not be used in any manner that**

- expresses or might imply Verimatrix's sponsorship, endorsement, certification, or approval of any product or service;
- disparages Verimatrix, its services or products; or
- violates any state, federal or international law.

You may use the Verimatrix logo only as provided by Verimatrix and in accordance with the [Corporate Logo Guide](#). Except as provided in the Corporate Logo Guide, you may not alter the Verimatrix logos in any manner, including, size, proportions, colors elements or animate, morph or otherwise distort the perspective or appearance of the logos.

The Verimatrix logos must remain visually distinct from other text or images. In particular, don't integrate the Verimatrix logos with another logo or trademark. Any joint use of the Verimatrix logos with another company's logo must be approved in advance by Verimatrix.

The Verimatrix logo when used in a website or other digital application, must be linked to [www.verimatrix.com](http://www.verimatrix.com) or accompanied by a text link to Verimatrix's website.

Additional requests for use of the Verimatrix logos may be made to [info@verimatrix.com](mailto:info@verimatrix.com).
